Waste Wizard

Customized information tool
for residential customers

The Waste Wizard app is the newest way Texas Disposal Systems (TDS) reduces your day-to-day hassle, keeps you up-to-date with your service, and provides you ease of mind in all your disposal needs.

Available as an app on both Google Play and the App Store, the Waste Wizard notifies customers about service changes, delays and cancellations, holiday scheduling, and special programs like Christmas tree recycling. The app also provides information about waste sorting and recycling tips, and even features a kid-friendly interactive game.

With the app, TDS increases transparency with our customers, minimizes potential recycling contamination, and significantly reduces paper consumption in your neighborhood.

Available on Google Play and the App Store®
