

**Notice: Stage 2 Water Use Restrictions In Effect**

Remaining Consistent with the District's Drought Contingency Plan, which is required by State law, the District implemented ***Stage 2*** mandatory watering restrictions effective October 17, 2023 in an effort to manage the community water supply, and ability to provide firefighting water supplies. The goal for Stage 3 is to achieve a 30% reduction in average daily water use.

- a. Landscape Irrigation Use will be prohibited except where use is limited for trees, gardens, and flowers by a faucet filled bucket or watering can of five (5) gallons or less between the hours of 7:00 a.m. and 9:00 a.m. and 7:00 p.m. and 9:00 p.m.;
- b. Use of soaker hoses on landscaped areas, except lawns, is permitted only from 6:00 a.m. to 9:00 a.m. and 8:00 p.m. to 11:59 p.m.;
- c. The washing of automobiles, trucks, trailers, boats, and other types of mobile equipment will be prohibited;
- d. The use of water to top off any indoor or outdoor swimming pools, wading pools, or jacuzzi-type pools will be prohibited; and

Additional restrictions regarding washing vehicles, filling swimming pools, fountains and ponds, use of water from hydrants, and wasting water also apply Please visit [https:// https://d7cfcf.p3cdn1.secureserver.net/wp-content/uploads/2023/07/Drought-Plan.pdf](https://d7cfcf.p3cdn1.secureserver.net/wp-content/uploads/2023/07/Drought-Plan.pdf), for a copy of the Drought Contingency Plan, which includes the full list of mandatory water use restrictions. Violations of the Stage 3 mandatory watering restrictions will be subject to a \$500.00 fine or the installation of a flow-restriction device, and repeat violations may be subject to termination of water service.
